Abandoned application request to revive

Hon. Sir:

Referring to USPTO Notice of Abandonment on the 01/09/2007, I herewith ask to  
revive the abovementioned abandoned utility patent application under 37 CFR 1.137.  
(Notice of Abandonment Conf.No.1915).

I am stating herewith that the entire delay in filing the required reply from the due  
date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(b)  
was unintentional.

The reason of our not previously filing of a complete reply is our not receiving of an  
examiners Office Action (mailed on 02/16/07 as shown in the notice of abandonment).  
This may be caused by not proper work of local Postal Service.

A terminal disclaimer is enclosed hereto.

A petition fee set forth in 37 CFR 1.17(m) and Terminal Disclaimer fee set forth in 37  
CFR 1.20(d) are to be charged from the Deposit Account No.503931..

In a case of any additional questions on this matter, please contact applicants  
contact person in patent cases Sergey Platonov, at sergey.pl@abbyy.com .
